

# Love Ain't Easy

Barry White

How many times baby have you heard people say that nothing good comes easy  
Tell me how many times do we sit amongst our friends making up and breaking  
up  
just trying to get their lives together  
As simple as the word love is its,  
its not easy for two people to feel and touch and hold and need each other,  
its how bad we really want it  
Whatever the mind can conceive, its possible  
Love ain't easy baby, love ain't easy

We're so perfect for each other,  
Still you have some doubts  
You're holding back your love girl,  
Just in case it don't workout

Yeah we know love ain't easy  
Something no one can deny  
But we'll never know if we can make it  
We wont longer knock until we try  
We wont know until we try

You, you say love is a gamble,  
Well nothing guarantee  
But if we give our love a chance girl,  
Girl I bet we will succeed.

Yeah we know love ain't easy  
That something no one can deny  
But we'll never know if we can make it  
We wont longer knock until we try  
We just wont know until we try

He's gonna blow for...  
Love ain't easy  
Love ain't easy  
We just wont know until we try  
Let him blow some more for...  
Love ain't easy  
Love ain't easy  
We just wont know until we try

Yeah we know love ain't easy  
That something no one can deny  
But we'll never know if we can make it  
We wont longer knock until we try  
We just wont know until we try

Love ain't easy  
It ain't easy  
Love ain't easy  
It ain't easy  
Love ain't easy  
It ain't easy  
Love ain't easy  
It ain't easy...
