

## Love's Interlude/Good Night My Love

Barry White

Good night, my love  
Good night, my love

Good night, my love  
Pleasant dreams and sleep tight my love  
May tomorrow be sunny and bright  
And bring you closer to me

Before you go  
There's just one thing I REALLY NEED to know  
Is your love, GIRL, still warm for me  
Or has it gone cold?

If you should awake  
In the still of the night  
Please have no fear

FOR I'll be there  
You know I care  
Please give your love to me, dear

Good night, my love  
Pleasant dreams and sleep tight my love  
May tomorrow be sunny and bright  
And bring you closer to me

If you should awake  
In the still of the night  
Please have no fear

OH I'll be there  
You know I care  
Please give your love to me, dear

Good night, my love  
Pleasant dreams and sleep tight my love  
May tomorrow be sunny and bright  
And bring you closer to me
