

Put Me In Your Mix

Barry White

Baby put me in the air
everything you ever wanted is here
put me here
I don't care how you mix it
I don't care how you fix it but
put me in
yeah

All I want
or how I want it
aware
just take my love
and put me in your mix

I'm waiting patiently
hoping that I can be
in your mix
I'm still here

It's you that I adore
just wait there's so much more
in my mix

Sweetest honey and candy
but you're the luck in your
all the love you need is here
so open up and have no fear
There to you I'll give my own
and I'll be there when you're gone
I know the things that you can do
there's no one always there for you

For all you know
I'm the best you know
put me in your mix
I wanna be right there

I know just what you like
give me assist at night
in your mix

I be - be there
don't you know
for all you know
I'm the best you know
being in your mix

To be - to be right there

I can love you right
EVERY stars at night
in your mix

There's something you need to know
how much I need you so
in my mix, mix, mix - yeah
so don't be loved to yourself

you MIGHT the greater will
in your mix

Smoothest honey and warmth
and I love you in dignity
I wanna be with you so much
I wanna be the way you touch
all the love you need is here
and no more lies and no more tears
ending come inside your world
I can make your to

For all you know
I'll might be the best you know
beeing in your mix
hmmmm

I need to be right there

I can love you right
EVERY stars at night
in your mix

hmmmmmm

I need to be there
for all you know
I'm the best you know
in your mix, mix
hmmmmmmmmmm yeah
hmmmmmmmmmm

I know just what you like
give me your chance tonight
in your mix
I need to be right there
Don't you know
For all you know
I'm the best you know
in your mix

I can love you right
EVERY stars tonight
in your mix

hmmmmmm yeah
hmmmmmm yeah

[whispering]:
you never kwow
you just mine
.....
I CAN DANCE
baby, please, please
put me in - in your mix

Don't you know
for all you know
I'm the best you know
to be in your mix

Don't you know
for all you know

I'm the best you know
I wanna be, I wanna be right there
baby, baby right, right there

Give me your chance

I won't go back
hmmm
don't put me back
hmmmm
don't put me back
I might be the best you know
