

Tell Me Who do You Love

Barry White

Can I ask you something:
If I didn't mean as much as it means to me
And if it didn't feel what I feel inside, baby I..

I Don't really want ask you this, but...
It's something that
I want to know so bad
tell me...
Who do you love?..

Who do you love
Tell me....
Tell me...
Who do you love...
