

# The Time Is Right

Barry White

It`s time  
I`m sincere. I say what I mean  
And I mean just what I say  
I`ve never felt like this  
Loving so hard, so deep, so quick  
Babe look into my eyes  
And all I see is you  
And if you agree to be with me  
No lies, no games, no tricks

I hope you`re felling the way I do  
And I hope you nedd it  
Needing my love the way I need you

The time is right, right now  
Give your love to me  
Let me show you how

I`ve always knew darling  
It would take a very special lady for me  
The first time I saw you  
You were everything I wanted  
And everything I need

I hope you`re feeling the way I do  
And I hope you`re raching  
Reach out to me I`m reaching for you

The time is right, right now  
Give your love to me  
Let me show you how  
The time is right, right now  
Give it all to me  
Let me show you how
