

It doesn't matter if you're not the smartest,  
Who cares if you're really not the coolest?  
Anyway, it doesn't matter anyway.  
I, follow my dreams and believe in the target,  
Friends and family cause home is where the heart is.  
Everyday, I see you everyday

Just know that you, can be, anything you want,  
Anything you want, want, want

I did this for me, and my bambinos,  
This if for the people, 143!  
This is for me, and my bambinos,  
This is for the people, 143!  
We dedicate this song to you,  
For standing by us through and through.  
This is for me and you and me and you,  
Bambinos, 143!  
I did it for me,  
I did it for you, bambinos

Seeing your smile lights up my day,  
No matter if I'm in sunshine or rain.  
We can't thank you enough for what you did,  
You changed our lives, it's what you did.  
I was hopeful when I became Bars,  
Heart shattered and became 30,000 stars  
(Bambinos) I feel your love,  
Like the light raining down from the sun above

Just know that you, can be, anything you want,  
Anything you want, want, want

I did this for me, and my bambinos,  
This if for the people, 143!  
This is for me, and my bambinos,  
This is for the people, 143!  
We dedicate this song to you,  
For standing by us through and through.  
This is for me and you and me and you,  
Bambinos, 143!  
I did it for me,  
I did it for you, bambinos

When I put my head down, you're all I see,  
I'm inspired by the way all you treat me.  
They say that a picture paints a thousand words,  
I can hear the screams, 30 000 girls.  
So many hearts, around the world,  
You are my light and you are my pearl.  
I try to keep you safe 'cause my love for you,  
Is more than any other because it's so true

Just know that you, can be, anything you want,  
Anything you want, want, want

I did this for me, and my bambinos,

This if for the people, 143!  
This is for me, and my bambinos,  
This is for the people, 143!  
We dedicate this song to you,  
For standing by us through and through.  
This is for me and you and me and you,  
Bambinos, 143!  
Just know that you, can be, anything you want,  
Anything you want, want, want

I did this for me, and my bambinos,  
This if for the people, 143!  
This is for me, and my bambinos,  
This is for the people, 143!  
We dedicate this song to you,  
For standing by us through and through.  
This is for me and you and me and you,  
Bambinos, 143!

Oh, oh, oh, oh, oh...
