

Back 2 the Wild

Basement Jaxx

So, are you ready to go?
Do you wanna go?
Do you wanna go?
Do you wanna go back?
Back to the wild
I wanna go, I wanna go
Back, back to the wild
To the jungle
Take me to the jungle
Let's drink with the animals
Let's smell some flowers
Well meet and snaá'- dragons
Let's get naked

Chorus:

I wanna go back
Back to the wild
I wanna go,
I wanna go back
Back to the wild
To the jungle
Take me to the jungle
I wanna go back
Back to the wild
I hear nature calling me
I hear nature calling me
I wanna go back
Back to the wild
To the jungle
Take me to the jungle

Flash like thunder, like lightening
I hear nature calling me, can you hear it, can you hear it?
Living an exotic dream
Do you wanna go?
Do you wanna go?
Do you wanna go?

Chorus:

I wanna go back
Back to the wild
I wanna go,
I wanna go back
Back to the wild
To the jungle
Take me to the jungle
I wanna go back
Back to the wild
I hear nature calling me
I hear nature calling me
I wanna go back
Back to the wild
To the jungle
Take me to the jungle

Yeah,
Y'all in?

Y'all in?
Y'all in?
Y'all in?

It's a freak show
It's a freak show
It's a freak show
It's a freak show
It's a freak show
It's a freak show

Are you ready to go?
Do you wanna go?
Do you wanna go?
Do you wanna go?

Chorus:
I wanna go back
Back to the wild
I wanna go,
I wanna go back
Back to the wild
To the jungle
Take me to the jungle
I wanna go back
Back to the wild
Let's find the silence
I hear nature nature
I wanna go back
Back to the wild
To the jungle
Take me to the jungle

I feel it, I feel the breeze
Glowing moist upon my skin
I hear nature, nature calling me
I hear nature, nature calling me
I hear nature, nature calling me
I hear nature, nature calling me
I hear nature, nature calling me
Come on, let the nature in
