Taking care of nothing ... of everithing
And then, she was passing
Our eyes met
I smiled at her, I told her
It's you ? [It's me]
Yes it's me, she tols me [hahaha]
She asked me where I wanted to go in this world.
Somewhere in your mind [IN your mind]
Didn't you have this sensation ... sweet [sweet]
That you leave what is black [black] dark [dark] negative [negative]
outside [outside]
you got to leave [you got to leave]
you got to breathe [you got to breathe]

to be free [to be free]
A place, in your mind
A place, where the words...don't matter anymore [will never matter again]
A sweet sensation [sweet]
