

U Can't Stop Me

Basement Jaxx

I got sixteen seconds and I don't wanna stop
I got no time for the present, livin' on a spinnin' top
I got Satan on the TV, I got God in a frame
I say, "Hello", for a second then you won't see me again

I am happy, I am sad, I can be most anything
I'm a scary motherfer, I'm the future on a spin
I got sixteen seconds and I don't wanna stop
I got no time for the present, livin' on a spinnin' top

Can't stop me
Can't stop me
Can't stop me

I got sixteen seconds, and I don't wanna stop
I got no time for the present, livin' on a spinnin' top
I got a fast food store sellin' poison, sellin' rocks
Spaghetti open in my head, I'm livin' in the aftershock

I am happy, I am sad, I can be most anything
I'm a scary motherfer, I'm the future on a spin
I got sixteen seconds and I don't wanna stop
I got no time for the present, livin' on a spinnin' top

Can't stop me
Can't stop me
Can't stop me

Can't stop me
Can't stop me
Can't stop me
