

## Day By Day

### Basement

I wish I could change the way things are and the way things are  
going to be, but I can't and that's hard.  
Please say you'll live each day and you won't give in.  
I pray it's not too late to start living.  
Today I'll say "I'll be fine". Truly I'm scared.  
  
So say a prayer and I'll be there, by your side.
