

Plan To Be Surprised

Basement

It's darker than it's ever been.
It's hard enough to see without
you making me feel like I am nothing...
I'm nothing.

All the lights are out, in your house
and you're nowhere to be found.
I know you're scared, but I'm still here.
I'm coming round.

Please let me in, it's cold outside
and I'm not going anywhere.
