Bashy

Look Straight Away, No Lone-Ting. This Is Out To All The Black Boys Growing Up Yeah. There's Bare Positive Black Boys Around You Makin Movements, Makin Movements Towards Success.

Look, Its Like I Love It When I See Rich Black Men Like Diddy And Nelly, But Was Even Happier When I See Dizzie Rascals Gettin Albums Or When He Gets His Face ON The Telly. Personally, When He Won His Mercury, I Thought Well Done. He's A Black Boy Whos Just Like Me So Like, His Respect Is Due Certainly.

And Hold Tight Kano, I Dont Know Him, But i Thought Ok Though, That's Good For Him, Another Black Boy That's Gonna Make Do Throug Lethal.

Hang Tight Lethal, He Did His Power When He Brought IN A Few More Black People. I Raved At Kylie, Thats Why, No Matter What We Had I Still Got To Shout Out Wiley. He Built A Scene. Amongst Us Black Young Boys He Built A Dream, Like Mega-Man Did With So Solid. See That Crew Right There We Owe Hummage. When They Won The Brits I Was Like Brapp, Black Boys Up In This Bitch, When I See Them Fall On The Pitch Im Like Brapp, Black Boys Up In This Bitch Oh.

CHORUS*

Black Boys, Black Boys, Yeah We're Called Black Boys, And One Day We're Gonna Be Black Men, And One Day We Might Have Black Boys And We Gotta Teach Them To Be Black Men.

Repeat
