

## Promise Not to Think About Love

Basia Bulat

Not to think about love  
But to see the way you play it  
I have taken a vow  
Now I want to hear you say it  
Are you troubled at all  
If I make no hesitation  
When you ask me not to think about love?  
I don't think about love  
When I see you kiss another  
It won't matter at all  
No I won't hold to its power  
I have given it up  
And I've seen the final hour  
When I tell you I don't think about love  
I don't think about it  
And I won't sing about it now  
I promise not to think about love  
I don't think about love  
I don't need the incantation  
I have given it up  
Oh, I had my reservations  
Were your friends there at all?  
Did they offer consolation  
When I promised not to think about love?  
I don't think about it  
And I won't sing about it now  
I promise not to think about love  
Promise not to think about love  
Promise not to think about love  
Promise not to think about love
