Run

Basia Bulat

If I ever found the cause of this sadness I know it would be
Impossible to keep the vision against all of me
When I took myself far and away from everyone that I knew
If you're looking for the moon
Is it ever when it's new

When the iron is cold and the binding holds fast onto you
When I listen for the footsteps that nearly knock me down in th
e room
The teller is gone, you say, but how well can you really see?
Oh you'll find it by and by
In a heartbeat you'll be free
And you will

Run (9x)
Run (9x)

Run (9x)
Keep running back to me

Oh the both of our heads you've been searching to find a way th
rough
But there's nothing that I want more than a reason to be follow
ing you
When you bring up the matches just remember that I own them all
 too
If a lie won't go too deep
In a heartbeat you'll be free
And you will

Run (9x)
Run (9x)
Run (9x)
Keep running back to me

Run (9x)
Run (9x)
Run (9x)
Keep running back to me
Keep running back to me
To me
To me
