

# Why Can't It Be Mine

Basia Bulat

Last night I saw you spin around in my head  
Turn the lights off and settle down inside  
Feeling as far but it always dies in the night  
Just close your eyes  
Hold your breathe, and then

I wanna believe you  
You know that I try  
It's just the way that you look sometimes  
Oh it's been hard on me  
It's only feeling  
But after all this time, why can't it be mine?

Do do do do  
Oh oh oh  
La da da da da da da

And you made up your mind  
For the lasting place  
One little thought and I'll forget everything  
Just one last time before we're all sleep  
Reach across the space tonight to me

And I will believe you  
It's just the way that you look sometimes  
Oh it's been hard on me  
It's only feeling  
But after all this time, why can't it be mine?

Do do do do  
Oh oh oh  
La da da da da da da da

Oh oh oh oh  
Why can't it be mine?  
Oh oh oh oh  
Why can't it be mine?  
Oh oh oh oh  
Why can't it be mine?
