

Time And Tide

Basia

It's hard for me to stop my heart
Love never knows when the time is right
I don't want to hurt anybody but
Can't help loving you

I never felt like this before
I know this is special worth waiting for
Let life take its course
That's the only thing for us to do

We've got time, oh baby
There's no rush gonna be a better day for us
Hang on and I will wait for you
Our love will always stay as good as new

Time and tide, nothing and no one
Can stop us now, for better, for worse
This time I'm sure it's gonna last

How can I stop my heart?
Love never knows when the time is right
Don't want to hurt anybody
Don't want to make them cry
Don't want to make them cry

We've got time, oh baby
There's no rush gonna be a better day for us
Hang on and I will wait for you
Our love will always stay as good as new

It's a matter of time
Only a matter of time
It's a matter of

Time and tide, nothing and no one
Can stop us now, for better, for worse
This time I'm sure it's gonna last
It's gonna last forever

We've got time, oh baby
There's no rush gonna be a better day for us
Hang on and I will wait for you
Our love will always stay as good as new
Yeah, our love will always stay as good as new

We've got time, oh baby
There's no rush gonna be a better day for us
Hang on and I will wait for you
