Bass Drum of Death

We sit around
our money's spent
why can't you all get down?
drive shitty cars
can't pay the rent
why can't you all get down?
chew your food and spit it out
drink the water, it's a drought
how are you this scared?
bad reputation
i'm cyclin'
can't make amends
why can't you all get down?
never seen a bill
change for cigarettes
why can't you all get down?
