Basshunter

I gave you a part of me  
When life was free  
The love was inside of us  
But I let it be

Now I see what a fool I've been  
And I feel what it means  
To send you away like that  
And never hold you again!

You're in my eyes, in my head  
In my soul I feel you there!  
Oh Camilla light this world again, woah

All my night, everyday  
I've been calling out your name  
Oh Camilla life got right again  
Life got right again!

I gave you a part of me  
When life was free  
The love was inside of us  
But I let it be

Now I see what a fool I've been  
And I feel what it means  
To send you away like that  
And never hold you again!

You're in my eyes, in my head  
In my soul I feel you there!  
Oh Camilla light this world again, woah

All my night, everyday  
I've been calling out your name  
Oh Camilla life got right again  
Life got right again!
