

# Can You

Basshunter

Are you ready?

Can you see what you wanna be? Can you see everything is free?  
Can you see it reversely? Can you see it's you and me?  
Every night I wanna dream of you and the feelings I can see in  
you  
Show me what I mean to you, show me oh please

Can you see what you wanna be? Can you see everything is free?  
Can you see it reversely? Can you see it's you and me?  
Every night I wanna dream of you and the feelings I can see in  
you  
Show me what I mean to you, show me oh please

Are you ready?

Can I make you smile again? I just wanna still be friends  
Everyday I think of you, can I make this feeling true?  
Every night before I sleep, the thought of you makes me complet  
e  
Nothing better comes tonight then loving you all night

Can you see what you wanna be? Can you see everything is free?  
Can you see it reversely? Can you see it's you and me?  
Every night I wanna dream of you and the feelings I can see in  
you  
Show me what I mean to you, show me oh please

Can you see what you wanna be? Can you see everything is free?  
Can you see it reversely? Can you see it's you and me?  
Every night I wanna dream of you and the feelings I can see in  
you  
Show me what I mean to you, show me oh please

Are you ready?

Can you see what you wanna be?
