There is one girl in my life That makes me love again As pretty as a girl could be So beautiful. Every morning she makes me a cup of coffee With a smile on her face I'm a man in love And she's glorious

There is one girl in my life That makes me love again As pretty as a girl could be so beautiful. Every morning I wake up and I think of you With a smile on my face I'm a man in love And she's glorious

Oh baby I want you to stay in my life Never say goodbye even if you cry I'm still by your side Oh baby I want you to stay in my life Never say goodbye even if you cry I'm still by your side
