

## Evil Beat

Basshunter

Now shut up and listen  
This is not a habitude  
This is an empty sound  
But don't loose faith  
Let me present the 'Beat'

This is not a habitude  
This is an empty sound  
If groove coverage is day, this is night  
Here comes the pure evil  
Yeah!

Here we go

Do you like it?  
Get ready for more  
Yeah!
