

I Promised Myself

Basshunter

I Promised myself
I'll promise I'll wait for you
The midnight hour
I know you'll shine on through

I Promised myself
I'll promise I'll wait for you
The midnight hour
I know you'll shine on through

I promised myself
I promised the world to you
I gave you flowers
You make my dreams come true

Many of us are out there feel the need
to run and look for shelter

I promise myself

I promise myself
That I said a pray for you
A brand new tomorrow
For all your wish comes true
I promise Myself
That I make it up to you
My sister and brother
you know I'm in love with you

So many of us are out there feel the pain
of losing what was there

I Promised myself
I'll promise I'll wait for you
The midnight hour
I know you'll shine on through

I promised myself
I promised the world to you
I gave you flowers
You make my dreams come true

I promised myself!
