I Promised Myself

Basshunter

I Promised myself I'll promise I'll wait for you The midnight hour I know you'll shine on through

I Promised myself I'll promise I'll wait for you The midnight hour I know you'll shine on through

I promised myself I promised the world to you I gave you flowers You make my dreams come true

Many of us are out there feel the need to run and look for shelter

I promise myself

I promise myself That I said a pray for you A brand new tomorrow For all your wish comes true I promise Myself That I make it up to you My sister and brother you know I'm in love with you

So many of us are out there feel the pain of losing what was there

I Promised myself I'll promise I'll wait for you The midnight hour I know you'll shine on through

I promised myself I promised the world to you I gave you flowers You make my dreams come true

I promised myself!
