Love You More

Basshunter

You can make the sea turn purple You can make the seeds unfertile But you know you can never make me love you more You can turn wine into water Turn sadness into laughter But you know you can never make me love you more

Let the stars fall down, let the leaves turn brown So you know you can never make me love you more Let the redwoods die, let the wells run dry So you know you can never make me love you more
