Now You're Gone

Now you're gone I realized my love for you was strong And I miss you here now you're gone I keep waiting here by the phone With your pictures hanging on the wall

Now you're gone I realized my love for you was strong And I miss you here now you're gone I keep waiting here by the phone With your pictures hanging on the wall

Is this the way it's meant to be? Only dreaming that you're missing me I'm waiting here at home I'll be crazy now you're gone

There's an empty place in my heart Without my Anna it will break apart It won't heal, it never fades away I'll be thinking 'bout you everyday

Are you ready? Now you're gone I realized my love for you was strong And I miss you here now you're gone I keep waiting here by the phone With your pictures hanging on the wall

Is this the way it's meant to be? Only dreaming that you're missing me I'm waiting here at home I'll be crazy now you're gone

Now you're gone I realized my love for you was strong And I miss you here now you're gone I keep waiting here by the phone With your pictures hanging on the wall

Is this the way it's meant to be? Only dreaming that you're missing me And I'm waiting here at home I'll be crazy now you're gone

There's an empty place in my heart It won't alarm me, it will break apart It won't heal, it never fades away I'll be thinking 'bout you everyday
