

You're Not Alone

Basshunter

Let's go around and take
(Oh oh)
Each day by day
(Yeah)
If you want to feel free
Join the world with me
Nothing can go wrong

You're not alone
You're not alone
Nothing can go wrong
You're not alone

You're not alone
You're not alone
Nothing can go wrong
You're not alone

No matter where
My life will take me
I will be just around the corner, baby
Just around the corner

No matter where
My life will take me
I will be just around the corner, baby
Just around the corner

Let's go around and take
(Oh oh)
Each day by day

You finish school
Become a grown up
In just one day
And you're standing still
While the world is running away
All your friends have gone
Where they belong
Now you go around and take
Each day by day

Let's go around and take
(Oh oh)
Each day by day
(Yeah)
If you want to feel free
Join the world with me
Nothing can go wrong

You're not alone
You're not alone
Nothing can go wrong
You're not alone

You're not alone
You're not alone

Nothing can go wrong
You're not alone

No matter where
My life will take me
I will be just around the corner, baby
Just around the corner

No matter where
My life will take me
I will be just around the corner, baby
Just around the corner

You're not alone
You're not alone
Nothing can go wrong
You're not alone

You're not alone
