Druuuunk Heavyweight.  
Lorin's in the place.  
Let it crash like a million tons.

No rest for the wickedest,  
Always ridiculous.  
Never out done.

We gone to correctional.  
Strictly professional.  
Multi-directional, style  
Aiming straight for your head.

We think the unthinkable.  
Sink the unsinkable.  
Break the unbreakable.  
Keep it going crazy in here.
