

Hit him with the, hit him with the, hit him with the heavyweight

Back in the lab, Muay Thai kickin' bags  
Mashin' the gas like I'm Mad Max  
Master catastrophe, where the dance at?  
Ring the alarm, I'm comin' to impact  
Ready with that jumbo, down in the jungle  
Heavy hitting how we get it done boy, y'all now know  
Steady with the rumble, I hit 'em with the combo  
How we wreck up, have a party poppin' in the condo

When I'm in my own zone, I be feelin' so wavy  
And when that bass drop, I be goin' so crazy  
Get me so hot, so they all wanna blaze me  
At the top of the world, your bad vibes don't phase me

Hit him with the, hit him with the, hit him with the heavyweight  
Hit him with the heavyweight  
Make, make the room shake  
Hit him with the, hit him with the, hit him with the heavyweight  
Hit him with the heavyweight  
Make, make the room shake  
Hit him with the, hit him with the, hit him with the heavy weight  
Hit him with the heavyweight  
Make, make the room shake  
Make the, make the room, make the room, make the room shake  
Make the room shake

Chillin' with my clique when the beat kick  
Keep it nice and decent  
Neighbors wanna go alert the precinct  
Stand like a sphinx in a tight fix  
Slicker than a skate mate  
You don't really want it to get ill mate  
I'll assume you'll catch up with the tailgate  
This is not a stalemate, sorta like a jailbreak, heavyweight  
Meditate your body when I serenade, uh, uh  
Breaking out the party, couldn't barricade, uh, uh

When I'm in my own zone, I be feelin' so wavy  
And when that bass drop, I be goin' so crazy  
Get me so hot, so they all wanna blaze me  
At the top of the world, your bad vibes don't phase me
