

I Will Love Again

Bat for Lashes

One of these nights
One of these days
I will love again
Oh, I was a deer in the lights
I was lost in the waves
But I will love again

Cause I will turn it back around
I'll be homeward bound
I will turn it back around
I'll be homeward bound

One of these nights
One of these days
I will love again
Oh, I was a needle in flight
I was lost in the caves
But I will love again

Cause I will turn it back around
I'll be homeward bound
I will turn it back around
I'll be homeward bound
