

## Sadist

Bathory

I summoned up the living dead  
And the demons in the skies  
I drank from chalice warm and red  
And watched the virgined eye

Present at ungodly births  
In holy paradise  
I spread eternal dark on earth  
And raped the mother of Christ

See'mon baby  
Raise your knife  
Welcome darling  
To my sacrifice

Tie the angel to the altar  
Sacrifice to lord in hell  
Let the warm blood torrent baby  
Moonlight set the night on spell

I saw the lightning strike in the sky  
And heard your roar in pain  
I'd lifted the knife and stroke once more  
Your blood was mixed with rain
