## **Sadist**

**Bathory** 

I summoned up the living dead And the demons in the skies I drank from chalice warm and red And watched the virgined eye

Present at ungodly births
In holy paradise
I spread eternal dark on earth
And raped the mother of Christ

See'mon baby Raise your knife Welcome darling To my sacrifice

Tie the angel to the altar Sacrifice to lord in hell Let the warm blood torrent baby Moonlight set the night on spell

I saw the lightning strike in the sky
And heard your roar in pain
I'd lifted the knife and stroke once more
Your blood was mixed with rain
