

## Satan My Master

**Bathory**

Satan My Master  
I slit my wrists to drain me of my blood  
Satan My Master  
Up side down I turn the cross of God

Satan My Master  
Recieve this sacrifice this blood of mine  
Satan My Master  
I cut into my rotten flesh your signs

Satan My Master  
Remember me when judgement day is near  
Satan My Master  
Take my hand when Armageddon is here
