

# You Don't Move Me (I Don't Give a Fuck)

Bathory

Break my heart tear it apart  
And spit me in my eye  
Confuse my head treat me for dead  
And fill me your lies

You don't have to know your lines very well  
You don't have to lie the best  
Just act at your class just be an ass  
A c\*nt among the rest

I couldn't care less  
You don't move me  
If you wanna roll around in shit  
Just like the rest

I don't give a damn  
I don't even give a f\*ck

(You don't move me  
I don't give a f\*ck  
You don't move me  
I don't give a f\*ck)

One is stronger I've read somewhere  
You bet your ass it's true  
Make sure to love yourself  
'Cause no one will ever love you

You've got to treat yourself  
Like the number one just to survive  
Or else you'll go a sorry one  
While choking on their lies

Take my advice  
It's better than their lies  
Man's best friend is still a greasy hand

You don't give a f\*ck  
You don't even give a damn

I don't give a f\*ck [x 4]
