

Ace Of Spades

Batmobile

If you like to gamble I tell you I'm your man
You win some loose some it's all the same to me
The pleasure is to play makes no difference what you say
I don't see the green the only color for me is the ace of spades
s the ace of spades

Going for the high one dancing with the devil
Going with the flow it's all a game to me
Seven come eleven snake's eye is watching you
Double up or quit the devil takes a split the ace of spades the
ace of spades

You know I'm born to loose and gambling is for fools
But that's the way I like it baby I don't wanna live forever
Don't forget the joker
Pushing up the anty I know you've gotta see me
Read them and weep the dead man's hand again
I see it in your eyes take one look and die
The only thing you'll see you know it's gonna be the ace of spades
des the ace of spades
