

# Mission Impossible

Batmobile

I tried so hard just to make a start  
And every day I think of a way  
To make you all mine  
But it seems to be it seems to me  
That I am out on a mission  
Mission Impossible  
Mission Impossible it seems to be, mission Impossible it seems  
to me  
Check it out  
Please tell me baby tell me what you need  
You want more style or am I too shy for you  
Make me see you belong to me  
But it seems to be it seems to me

That I am out on a mission  
Mission Impossible  
Mission Impossible it seems to be, mission Impossible it seems  
to me  
Check it out  
You mess around with every man in town  
The only man you never see  
That lonely man that man is me  
But it seems to be it seems to me  
That I am out on a mission  
Mission Impossible  
Mission Impossible it seems to be, mission Impossible it seems  
to me  
Check it out
