

# Far Far Away

Battle Beast

To see the light...  
To quench this thirst for air...  
This awakened feeling forces me to climb the wall,  
Of a self-made grave, a grave where I slept for so long  
Like a blazing comet I won't stop till die

Far Far Away  
Where no man has ever gone  
Far Far Away  
Heavy Metal Savior  
Far Far Away  
I will solve the mystery  
And I'll rewrite history  
Stories of my journey will be told  
Far Far Away

I did not choose  
To be the chosen one  
Heretic's words remained misunderstood  
Truth isn't out there, it's something you can't lose  
I'm here and now but to them I'm Far Away

Far Far Away  
Where no man has ever gone  
Far Far Away  
Heavy Metal Savior  
Far Far Away  
I will solve the mystery  
And I'll rewrite history  
Stories of my journey will be told  
Far Far Away

Far Far Away  
Where no man has ever gone  
Far Far Away  
Heavy Metal Savior  
Far Far Away  
I will solve the mystery  
And I'll rewrite history  
Stories of my journey will be told

Far Far Away  
Where no man has ever gone  
Far Far Away  
Heavy Metal Savior  
Far Far Away  
I will solve the mystery  
And I'll rewrite history  
Stories of my journey will be told  
Far Far Away
