

The Blind Dead

Battlerage

Ancient blasphemies
Cult of obscure gods
Perserve ceremonies
Drink the virgin's blood
Cursed after death
Stalk amidst the gloom
Lifeless, cadaverous
Ride on steeds of doom
Malign warriors
They dealt in evilness
Rising from the grave
To feed on living flesh

THE BLIND DEAD
LEGIONS OF THE GRAVE
THE BLIND DEAD
A SCOURGE OF THE INNOCENT
THE BLIND DEAD
SEEKING FOR REVENGE
THE BLIND DEAD
FOR FLESH AND BLOOD THEY CRAVE

Burning at the stake
They swear they would return
Too late, your life they'll take
Condemned, in pain you're gone
Terror in the night
The seagulls cry in pain
Paralyzed by their sight
Your life comes to an end
No one can escape

The curse lives on and on
Witchery of the dead
Horrors from beyond

THE BLIND DEAD
LEGIONS OF THE GRAVE
THE BLIND DEAD
A SCOURGE OF THE INNOCENT
THE BLIND DEAD
