

## Warlock's Epitaph

Battlerage

What time and dust can't erase  
is buried in dungeons eternal  
Dark phrases are all that remains  
Black spells and hexes infernal

Cast in stone  
This is the law  
This place right here before your eyes  
The book unfolds  
The raging storm  
What came before the space and time

The end of all life  
You're going to die  
In blood they will thrive  
And no one survives

IN BLOOD, IN STONE  
THE WARLOCK'S EPITAPH  
THE TOOL OF LONG DEAD GODS  
THE KEY BEYOND THE STARS  
PREPARE TO FALL,  
PREPARE TO END IT ALL

His corpse has brought you tonight  
Now cast the dark incantation  
In dreams his book you have signed  
A last pact of tribulation
