Siegecraft

Battleroar

The day has come To set history Brave men will fall For thy victory Outside the walls War machines wait The Battering Ram Approaches the gate

Blizzard of stones Storming the wall Huge flaming arrows Wait for the call

The challenge is great Defenders are strong Besiegers are might They'll stay for long

Heart of the castle Pounds on blacksmith The Forging is endless To withstand the siege

This mighty place Exists to feed war Iron and fire Are ready for more

Tortured slaves Are feeding the pyre Craftsmen of great skill Handle with fire

The anvil is singing For life and for death The hammer is giving To metal, the breath
