

# Adrenalin

Bauhaus

It'll take you to the top  
And out to the edge  
Shoot up needles through your blood  
Lay ice under your sledge

Shift, crank, pull  
Shift, crank, pull  
Adrenaline, adrenaline

Shift, crank, adrenaline

It'll put you through your paces  
Kickstart your heart  
Push you to the limit  
Make the finish just the start

Shift, crank, pull  
Shift, crank, pull  
Shift, crank, pull  
Adrenaline

A-a-a-drenaline, adrenaline  
A-a-a-drenaline, adrenaline

It'll save the life of a junkie  
Closing on death  
Counteract the poison  
Give him back his breath

Shift, shift, crank, pull  
Shift, crank, pull  
Shift, crank, pull  
Adrenaline

A-a-a-drenaline, woah-ohhhh  
A-a-a-drenaline, a-a-a-adrenaline

Pushing flesh and marrow  
Kicking bone and blood  
Boosting up the cell count  
As the burning is flood

Adrenaline, adrenaline  
Shift, crank, pull  
Shift, crank, pull

A-a-a-drenaline, shift, crank  
A-a-a-drenaline, pull  
A-a-a-drenaline, adrenaline
