It'll take you to the top
And out to the edge
Shoot up needles through your blood
Lay ice under your sledge

Shift, crank, pull Shift, crank, pull Adrenaline, adrenaline

Shift, crank, adrenaline

It'll put you through your paces Kickstart your heart Push you to the limit Make the finish just the start

Shift, crank, pull Shift, crank, pull Shift, crank, pull Adrenaline

A-a-a-drenaline, adrenaline A-a-a-drenaline, adrenaline

It'll save the life of a junkie Closing on death Counteract the poison Give him back his breath

Shift, shift, crank, pull Shift, crank, pull Shift, crank, pull Adrenaline

A-a-a-drenaline, woah-ohhhh
A-a-a-drenaline, a-a-a-adrenaline

Pushing flesh and marrow Kicking bone and blood Boosting up the cell count As the burning is flood

Adrenaline, adrenaline Shift, crank, pull Shift, crank, pull

A-a-a-drenaline, shift, crank A-a-a-drenaline, pull A-a-a-drenaline, adrenaline
