

# Black Stone Heart

Bauhaus

My heart is a black stone  
A streaking mirror of unseen creatures  
He had a milkness from the universe  
Eighteen thousand feet, a black stone heart

My heart is a black stone  
A moon clad night come with my darkness  
I come with this darkness  
And go away white, go away white

Silver wind and carcass, carcass and blue  
Velocity endless, ooh  
Silver wind and carcass, carcass and blue  
Invisible too

Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh hey

Silver wind and carcass, carcass and blue  
Velocity endless, ooh  
Silver wind and carcass, carcass and blue  
Invisible too

When my black is back  
And the sea went out of sight  
I go there with my darkness  
And go away white

When my black is back  
And the sea went out of sight  
I go there with my darkness  
And go away white

Go away white  
And go away white  
Go away white
