Bauhaus

We tried to fly
Is it so high
We don't think so
We don't think so

Are we looked at Are we set back? Can we fake him Emulate him?

Time is breaking Changing faking Grind us up now Not too hard now

Features so fine Rouge and eyeline Things I fancy Just like Nancy

Fashions alter Often falter Crepe soles out now No more fights now

Make-up's taking
Lots of shaving
On my eyelash
Be sure it don't clash

Slim-line trousers
Facial powders
flooding my mind
Be sure there's no lines

Eye me up now pamper me now Please don't pass by Or I shall cry
