Spirit

Bauhaus

Tonight I could be with you
Or waiting in the Wings
Lift your heart with soaring song
Cut down the puppet strings
Cut down the puppet strings

I wear a coat of drums
And dance upon your eyes
Turn the tables upside down
Change the lows to highs
Change the lows to highs

I fill you up with butterflies Crown the heads of kings Be glad of first night nerves For fear gives courage wings Fear gives courage wings

If I am on the sidelines Chances are you'll miss Wait alone and spotlit For Doctor Theatre's kiss

The stage becomes a ship in flames I tie you to the mast
Throw your body overboard
The spotlight doesn't last
The spotlight doesn't last

I could be with you
Or waiting in the wings
Lift your heart with soaring song
Cut down the puppet strings
Cut down the puppet strings

I may tap you on the shoulder And whisper "go" in red Strip your feet of lead my friend Strip your feet of lead

Call the curtain Raise the roof Spirits on tonight

Call the curtain Raise the roof Spirits on tonight

Call the curtain Raise the roof Spirits on tonight
