

# The Sanity Assassin

Bauhaus

Sinister echoes clutching at straws  
Letter boxes screaming  
You try to pin him to the wall  
You end up on the ceiling  
Locked in a dome  
The shadows flicker by  
He's the madcap pusher  
Delerium the drug he's dealing

He drops a capsule in your drink  
And spikes your dreams with madness

He's the sniper in the hills  
Hiding the holes in your head  
He's the poison in your poison  
The razor in your head  
Hanging on a picture  
Eyelid needle and thread  
You empty yourself once again  
But he's always one step ahead  
He whispers in your ear  
was it nothing that you said  
He's walking in your sleep now  
He keeps your fat paranoia well-fed

He drops a capsule in your drink  
And spikes your dreams with madness

The sanity assassin  
Stays up all night stalking  
The sanity assassin  
Picks off victims like flies  
The sanity assassin  
Let his fingers do the walking  
The sanity assassin  
The crack shot between your eyes  
He's got you in his sights

He drops a capsule in your drink  
And spikes your dreams with madness

The razor in your head  
He's the poison in your poison

Drops a capsule in your drink
