

Eagles Fly

Bay City Rollers

Born on a highway on a freeway ride,
Eagles come riding in the morning light,
You'd better run, hide,
Find the one you love.

CHORUS

Eagles fly, in the morning sun.
Eagles fly, in the Mid-day sun.
Eagles fly, eagles on the run.
Eagles fly,
Ride on the highways hear the engines scream,
Eagles in motion a thousand C. C. dream.
You'd better run, hide,
When the mornin' comes

CHORUS

Eagles fly, in the morning sun.
Eagles fly, in the Mid-day sun.
Eagles fly, eagles on the run.
Eagles fly,

BREAK

You'd better run, hide
With the one you love.

CHORUS

Eagles fly, in the morning sun.
Eagles fly, in the Mid-day sun.
Eagles fly, eagles on the run.
Eagles fly,
