

I Only Wanna Dance With You

Bay City Rollers

No I just don't wanna dance,
With her tonight,
Cause I'm feeling sad and blue,
It just ain't right,
I just wanna have you by my side,
To love and hold me tight,
Yes I only wanna dance with you tonight,

CHORUS

Wanna dance, find romance,
Yes I only wanna dance with you tonight,
Wanna dance, find romance,
Yes I only wanna dance with you tonight,

I've been waitin' for so long,
Just hangin' round,
And the thought of losing you,
Just brings me down,
I just wanna take you by the hand,
And say that I love you,
Cause I only wanna dance with you tonight

CHORUS

Wanna dance, find romance,
Yes I only wanna dance with you tonight,
Wanna dance, find romance,
Yes I only wanna dance with you tonight
