

I Only Want to Be with You

Bay City Rollers

I don't know what it is that makes me love you so,
I only know I never wanna let you go
'Cos you started somethin', oh, can't you see
That ever since we met you've had a hold on me.
It happens to be true, I only want to be with you.
It doesn't matter where you go and what you do
I wanna spend each moment of the day with you,
Oh look what has happened with just one kiss,
I never knew that I could be in love like this.
It's crazy, but it's true, I only want to be with you.
You stopped and smiled at me, asked if I'd care to dance,
I fell into your open arms and I didn't stand a chance.
Now listen honey, I just wanna be beside you everywhere,
As long as we're together honey, I don't care.
'Cos you started somethin', oh can't you see,
That ever since we met you've had a hold on me.
No matter what you do, I only want to be with you.
I said I only want to be with you.
