Bay City Rollers

I don't know what it is that makes me love you so, I only know I never wanna let you go 'Cos you started somethin', oh, can't you see That ever since we met you've had a hold on me. It happens to be true, I only want to be with you. It doesn't matter where you go and what you do I wanna spend each moment of the day with you, Oh look what has happened with just one kiss, I never knew that I could be in love like this. It's crazy, but it's true, I only want to be with you. You stopped and smiled at me, asked if I'd care to dance, I fell into your open arms and I didn't stand a chance. Now listen honey, I just wanna be beside you everywhere, As long as we're together honey, I don't care. 'Cos you started somethin', oh can't you see, That ever since we met you've had a hold on me. No matter what you do, I only want to be with you. I said I only want to be with you.
