

Jenny

Bay City Rollers

Jenny I love you in the sunshine
Jenny I love you in the moonlight
You look so fine with your hand in mine
Jenny be mine tonight
Jenny I love you in the summertime
Jenny I love you in the wintertime
You look so fine with your hand in mine
Jenny be mine tonight

If some boy should take you Jenny
And dance you Jenny
Tell him about me
And if same boy should hold you Jenny
And kiss you Jenny
Tell him about me
Jenny I love you in the springtime
Jenny I love you in the summertime
You look so fine with your hand in mine
Jenny be mine tonight

If some boy should take you Jenny
And dance you Jenny
Tell him about me
And if some boy should hold you Jenny
And kiss you Jenny
Tell him about me
Jenny I love you in the sunshine
Jenny I love you in the moonlight
You look so fine with your hand in mine
Jenny be mine, Jenny be mine
Jenny be mine tonight
